CellMania.com Launches in Record Time Using BroadVision One-To-One Business Commerce

PR NEWSWIRE
September 08, 1999

REDWOOD CITY, Calif., Sept. 8 /PRNewswire/ -- BroadVision(R) Inc., (Nasdaq: BVSN) the leading worldwide supplier of one-to-one e-business applications for relationship management, announced that **CellMania.com**, the first integrated wireless destination site providing e-commerce, community and applications, was the fastest e-commerce site to launch using its BroadVision One-To-One(TM) Business Commerce Software. Time to market for **CellMania.com** was seven weeks. **CellMania.com** offers customers the following distinct advantages: -- The world's largest selection of phones, carriers, accessories, pagers and two-way radios. -- Superior customer experience because **CellMania.com** is the customer's one point of contact for pre-sales and post-sales questions. -- Enhanced phone usage experience from **CellMania.com**'s wireless applications. -- Credible consumer

resource through ratings and feedback on products, carriers and cellular phone options provided by the **CellMania.com** community of users.

"The BroadVision One-To-One Business Commerce software is incredibly easy to use and deploy," said Dr. Ronjon Nag, president and CEO of **CellMania.com**. "With One-To-One Business Commerce providing a very solid foundation, we were able to focus on value-added features of our site such as our wireless **advisor**, community ratings and our MobileMail applications. The end result is that customers enjoy the most pleasant cellular phone shopping experience on the planet. And with 150,000 cell phones being purchased every day around the world, personalization is vital for an e-commerce site."

"**CellMania.com** is leading the way personalization is used on the Internet with their need-based advice and comparison shopping service," said Dr. Pehong Chen, president and CEO of BroadVision. "BroadVision is proud to have helped **CellMania.com** integrate its site seamlessly -- and quickly -- thus offering consumers a unique vehicle to research and purchase customized cellular phones and service plans in a matter of minutes."

About BroadVision One-To-One Business Commerce

BroadVision One-To-One Business Commerce incorporates and extends the features of the BroadVision One-To-One Commerce application, to offer a comprehensive administrator desktop giving buyers the ability to administer users, groups, and receipts. Sellers have the ability to administer companies, purchase orders, and incoming customer orders. A new contract wizard easily creates customized contracts reflecting appropriate products and pricing through a simple GUI interface. In addition, the product provides for unlimited purchasing lists with unlimited sets of products that can be saved for later purchase. Additional features include configurable order flow, parametric search, persistent requisitions, purchasing lists, quotes and flexible payment options, including support for purchases orders, automated clearing house (ACH) and electronic document interchange (EDI) transactions.

About **CellMania.com**

CellMania.com is an e-commerce Web Site that sells wireless products, such as cellular phones and pagers, provides expert advice and community-generated product ratings. **CellMania.com** also delivers value-added services such as customized content to data enabled communications devices. The Mountain View, Calif. based company was founded in 1999 by Dr. Ronjon Nag, President and CEO, and Neerav Berry, Vice President of Marketing.

CellMania.com Launches in Record Time Using BroadVision One-To-One Business Commerce

-
...Calif., Sept. 8 /PRNewswire/ -- BroadVision(R) Inc., (Nasdaq: BVSN) the leading worldwide supplier of one-to-one e-business applications for relationship management, announced that **CellMania.com**, the

first integrated wireless destination site providing e-commerce, community and applications, was the fastest e-commerce site to launch using its BroadVision One-To-One(TM) Business Commerce Software. Time to market for **CellMania.com** was seven weeks. **CellMania.com** offers customers the following distinct advantages: -- The world's largest selection of phones, carriers, accessories, pagers and two-way radios. -- Superior customer experience because **CellMania.com** is the customer's one point of contact for pre-sales and post-sales questions. -- Enhanced phone usage experience from **CellMania.com**'s wireless applications. -- Credible consumer resource through ratings and feedback on products, carriers and cellular phone options provided by the **CellMania.com** community of users.

"The BroadVision One-To-One Business Commerce software is incredibly easy to use and deploy," said Dr. Ronjon Nag, president and CEO of **CellMania.com**. "With One-To-One Business Commerce providing a very solid foundation, we were able to focus on value-added features of our site such as our wireless **advisor**, community ratings and our MobileMail applications. The end result is that customers enjoy the most pleasant cellular phone shopping experience on the planet. And with... **CellMania.com** is leading the way personalization is used on the Internet with their need-based advice and comparison shopping service," said Dr. Pehong Chen, president of and CEO of BroadVision. "BroadVision is proud to have helped **CellMania.com** integrate its site seamlessly -- and quickly -- thus offering consumers a unique vehicle to research and purchase customized cellular phones and service plans in a matter...
